Last year today, on April 6th, my wife and I were excommunicated from the LDS Church. We were guilty of apostasy. The reason for the conviction of apostasy was a series of videos I published on Youtube based on the true message of the Book of Mormon.

Below are links to the videos published up to our excommunication trial:

The True Message of the Book of Mormon: <https://www.youtube.com/watch?v=ISM6rBvLch8>

Who the Book Was Written To: https://www.youtube.com/watch?v=z_J1d7wBQic

Mormon's Message to Us: https://www.youtube.com/watch?v=xnCAoMn7_zA

Nephi's Message to Us: <https://www.youtube.com/watch?v=psOy901apgw>

The Doctrine of Christ: <https://www.youtube.com/watch?v=oKy-HTF6PHM>

The Message of the Temple: <https://www.youtube.com/watch?v=C5qr5xas7Rw>

The Message of the Latter-Day Apostacy: <https://www.youtube.com/watch?v=aByVQfUcrZQ>

These seven videos are based on the message of the Book of Mormon. According to the LDS Church, they are apostate. I personally claim responsibility for the content of these videos. I believe all the content is true. I believe I was guided by the Spirit of God throughout the creation of these videos, so I am okay being responsible for each of the videos in The True Message of the Book of Mormon video series.

I find it wonderful that after getting pushed out the LDS Church for believing and publishing this message about the Book of Mormon, that I was able to enter into a covenant a few months later based on the New Covenant, even the Book of Mormon.

God be thanked for the Book of Mormon.
